Non-Profit Charitable Contributions & Arts Partnership

Please consider becoming an Arts Partner with Consonare Chorale. 100% of chorale members are contributing financially, as well as musically, to this venture. We are artistically and financially committed to bringing excellent music to our local community. Charitable contributions go directly to cover the costs of: member scholarships, sheet music and library expansion, instrumental accompanists, concert venue rental, marketing, rehearsal space, program/ticket production, and the artistic direction and management of Consonare Chorale. (Maximize your donation's impact by teaming up with a gift-matching corporate sponsor or employer.) There are several ways you can show your support. Of course, any and all donations are accepted with gratitude. Families and businesses that donate are contributing to a growing choir and will receive recognition in our concert programs as an "Arts Partner." Please consider contacting a friend, family or business associate and help us create a network that ensures the long-term continuation of Consonare Chorale.

Advertising in Consonare's program is another win-win opportunity. You may contact any chorale member to make a contribution or donation envelopes are available at concerts. We

look forward to making more friends! Consonare Chorale appreciates your support!
